TROPICAL MANGO, LIME & PASSION FRUIT ICE CREAM

New Tropical Mango and Lime Passion Fruit Ice Cream

Summer Only New Ice Cream

¥650 (tax included)
*Single-size price

A vibrant summer ice cream that layers the appeal of mango in two different preparations. We paired a milky, smooth mango gelato with a rich mango sorbet that tastes like the fruit itself. Within its mellow sweetness, refreshing lime juice, the sweet-tart flavor of passion fruit, and a popping texture add accents.
