PARADE LEMON CAKE

“Lemon Cake”

Parade’s lemon cake is baked with a generous filling of lemon curd made from Japanese-grown lemons, and it is known for its sweet-tart flavor and refreshing aroma.
We kept the rich flavor that comes from using plenty of butter, and we also refined the way we bake it so that the cake is even moister.
The rich tartness that spreads through your whole mouth and the gentle sweetness of the enveloping cake make this an irresistible treat.
We use kibi sugar (cane sugar), which is gentle on the body, and no additives, so anyone can enjoy it with peace of mind.
