Canelé de Bordeaux

Canelé de Bordeaux Burnt Honey Canelé

* The product shown in the photo is the Canelé de Bordeaux.

Parade's canelés are made one by one after we receive each order. They are a grown-up sweet in which the flavors of browned butter and aromatic rum unfold. The outside is crisp and toasty, while the inside is made with vanilla and "Sakura", premium eggs from purely Japanese-bred hens, and baked to a gently sweet, soft and chewy texture. We recommend warming them briefly in a toaster oven: the caramel on the surface becomes even crisper, and the texture and aroma come closer to those of a freshly baked canelé.
