Terrine au Chocolat Framboise

A limited-time White Day item available until March 17 (Sun).
A chocolate terrine that melts smoothly in the mouth, generously filled with our house-made raspberry confiture.

The rich cacao flavor of two kinds of chocolate from Valrhona of France, blended in good balance, and the sweet-tart acidity of raspberry come together to create an exquisitely matched taste.
To let you savor the mellow, full-bodied cacao flavor as fully as possible, we sweeten it only with natural honey produced entirely in Japan and kibi sugar (Japanese cane sugar).

Why not enjoy it as a treat for yourself
or as a gift for someone special?
